

## REMARKS

Claims 1-9, 11-23 and 26-33 are pending in the application.

Independent claim 1 is amended above to insert the work “the” before the term “component signals” in line 2 of step (d). Insertion of the term is appropriate to correct the claim grammar because antecedent basis for the term “component signals” is found in claim 1, step (c), line 2.

Entry of this corrective amendments to claim 1 is courteously solicited.

Respectfully submitted,

Date: October 2, 2008
